### ADOPTION CONTRACT

I/We agree that if ever I/we find that I/we can no longer keep an animal adopted to us by the Humane Society, I/we will return it to the Humane Society at 19933 Old Burn Road, Arlington, or someone will come and pick-up the animal within 48 hours, if not sooner.

In such cases as above, any fees paid for the dog will not be reimbursed unless it is within the first 30 days of adoption. If I/We have this animal euthanized, taken to a shelter that euthanizes, used for research, or in any other way dispose of it, other than by a veterinary certified serious illness or accident, then \$1,000 is due and payable to the Humane Society – Western Region, Arlington, WA., to be applied toward the saving of other animals.

I/We agree not to abuse the animal or confine the animal for extended periods, fail to provide food, water, shelter, and light. I also agree that a dog will not ride in the back of a pickup without a canopy on it, or stay in a vehicle during hot weather. If any of these instances occur, I/we understand the Humane Society will remove the animal and it will not be returned, nor will a refund be provided. The same will occur if a check does not clear the bank.

I/We hereby indemnify the Humane Society and its employees, officers, and volunteers from any losses, damages, liabilities, and expenses which are incurred in connection with this animal, either on the shelter premises, at a foster home, or anywhere after it has been adopted by me/us.

I/We understand that any animal may bite, may not be housetrained or trained in other ways, may fight with other animals, and may damage property and belongings. I/We agree to closely supervise children around all animals.

I/We understand this animal is adopted to us as a companion and not as personal property. I/We understand the statements above and agree to the conditions of this contract.
